Once you fill all the details in the registration form, click on register and proceed to the **KYC authentication page** (for Indian Customers) and **OTP verification page** (for international customers). Kindly refer to the snippet below.

Once you enter the KYC details, click on register and **verify your OTP**, complete your authentication process.

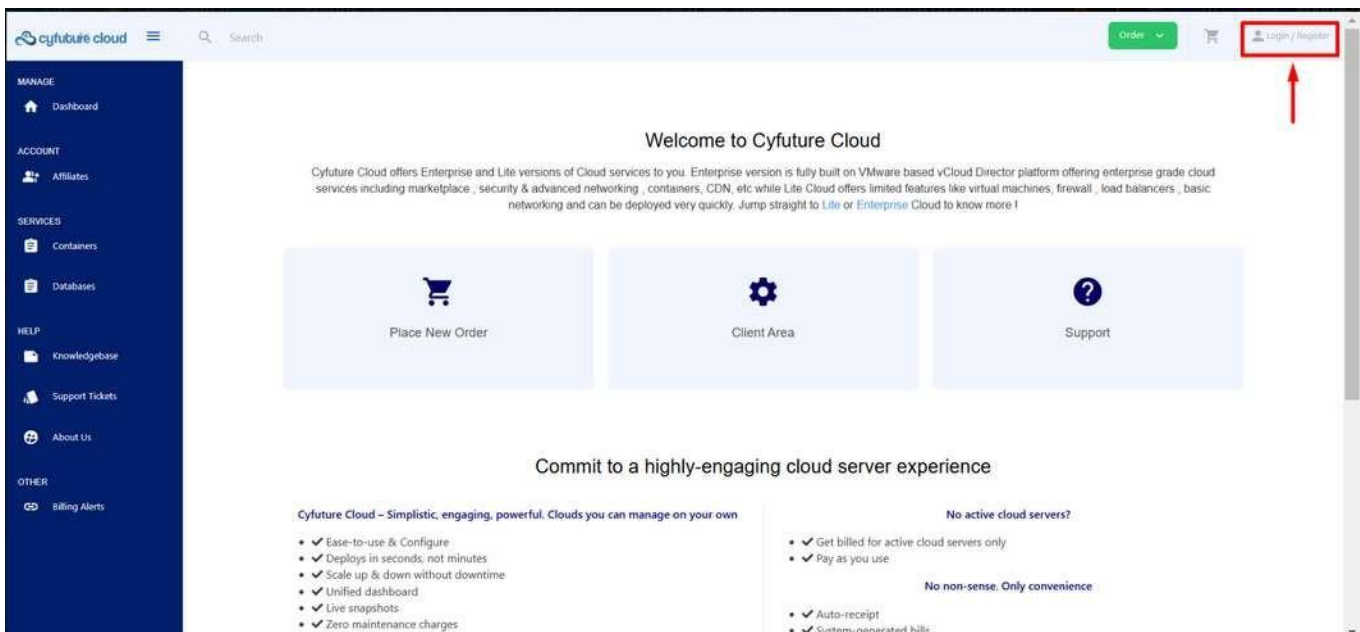

After completion of registration, you will land on the sign-in page. Kindly refer to the snippet below.

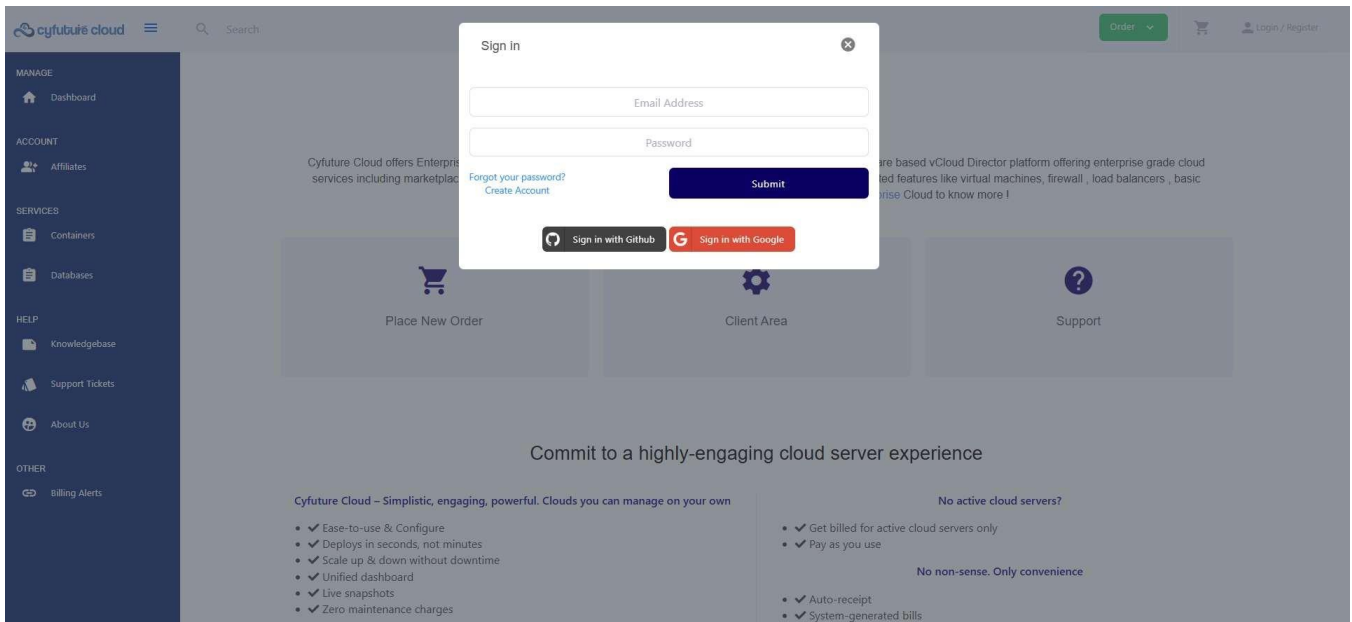

**Click on Sign-In Enterprise Cloud** and proceed further.

After clicking on Sign-In, you'll land on the sign-in portal, refer to the snippet below.

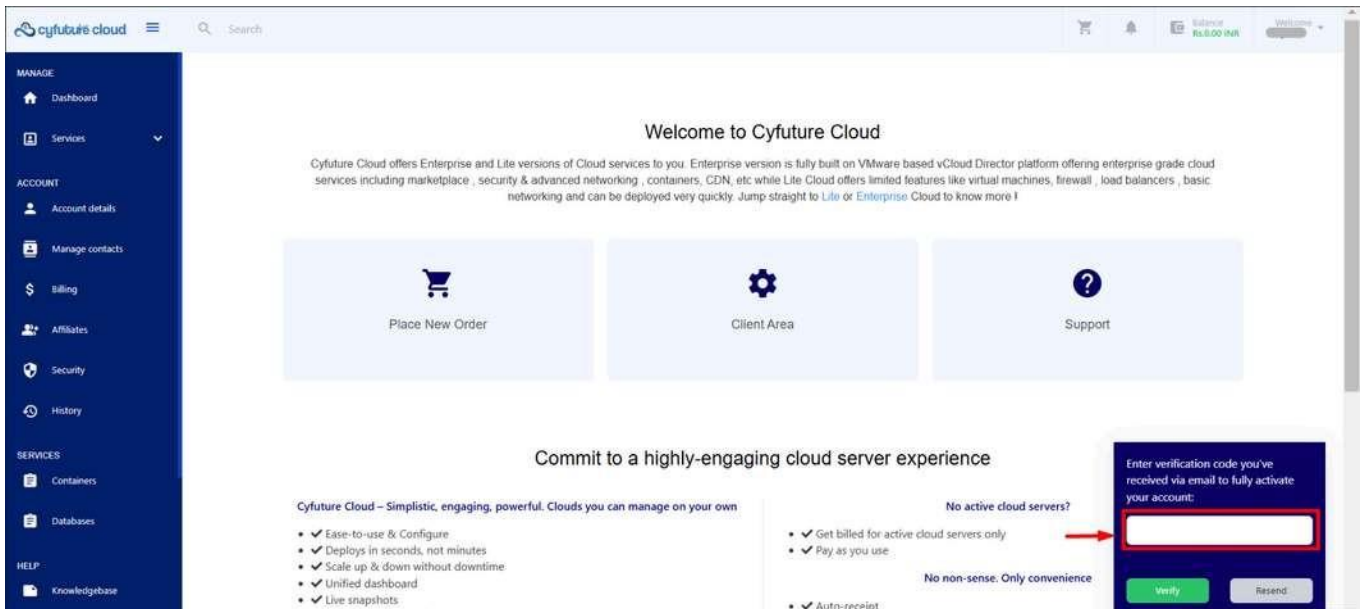

**Click on Login/Register and sign in to the portal by entering your registered E-mail ID and password you received on your specified mail.**

Now, you've signed-in to the page and will land on the Welcome Page.

Now you can explore your Enterprise Cloud Portal after verifying and activating your account by entering the **Verification Code**.

Begin with placing a new order by clicking on the **Place New Order** tab.

The screenshot shows the Cyfuture Cloud dashboard. On the left is a dark blue sidebar with navigation options: MANAGE (Dashboard, Services), ACCOUNT (Account details, Manage contacts, Billing, Affiliates, Security, History), SERVICES (Containers, Databases), and HELP (Knowledgebase). The main content area has a header 'Welcome to Cyfuture Cloud' with a brief description of the service. Below this are three light blue boxes: 'Place New Order' (with a shopping cart icon and a red box/arrow pointing to it), 'Client Area' (with a gear icon), and 'Support' (with a question mark icon). A section titled 'Commit to a highly-engaging cloud server experience' lists benefits and features, such as 'Simplistic, engaging, powerful. Clouds you can manage on your own' and 'No active cloud servers?'.

Now, you can choose any one service from the given options as per your need. Here, we'll go forward with selecting **Enterprise Cloud Services (Pay-as-you-go)**.

The screenshot shows the 'Check our amazing offers' section of the Cyfuture Cloud console. It features four service cards: 'Enterprise Cloud Services (Pay-as-you-go)' (highlighted with a red box and arrow, priced from Rs.84.43 INR), 'Email Services' (priced from Free), 'Backup As a Service' (priced from Rs.816.44 INR), and 'Object Storage' (priced from Free). Each card includes a brief description and a 'Select' button.

In the Enterprise Cloud Services Console, services are provided based on regions like - Noida, Bangalore, Jaipur and NCR-Delhi.

Here, we'll proceed further with **Noida Region Cloud Console** by clicking on continue and proceed to the purchase tab. Kindly refer to the snippet below.
